5/10/68

Dear Gary,

Glad you called, for I was able to reach my travel agent and confirm reservations, making a change in theplans that will get me there in plenty of time. I leave Baltimore on United Flight 147 for Chicago, change there to United 651 and arrive at Minneapolis at 2:02. This will give us time to speak briefly, plan a few things for the press conference, etc.

I'll leave on a plane departing 7:15 5/16.

This will enable to to spend the night with John and continue the next day.

Looking forward.

Best,
